

# Virtual Induction 2020

Darlinghurst  
ACADEMY

# New beginnings

## **A warm welcome to all new families joining us in September 2020**

Although we may not be able to begin our induction process face to face, we can make positive steps in sharing information and getting ready for September. During these unprecedented times, we have learned to develop new approaches, be creative and adapt to change.

*We will be in touch to share your child's September settling session and their official start date, with us.*

# An important milestone

You have been your child's first teacher.  
Together, we will support them through their  
educational journey.

Thank you for entrusting your little ones to  
our care.

We are looking forward to getting to know  
each and every one of them, helping them  
to learn and grow. *Mrs Nicholls, Principal*
