

December 2023

Dear Parents and carers of Dune class,

I am writing to inform you that Mrs Cooke is leaving the academy at the end of the year. She will be sorely missed.

Mrs Cooke has been a member of staff here at Darlinghurst Academy for 11 years and shown excellence in teaching and learning. She is taking her expertise into the wider field of education, in a new role to grow the next generation of teachers, at University.

Mrs Clarke will continue to teach Dune class from January with Mrs Powell (senior leader) each Monday.

Mrs Powell is responsible for teaching and learning in Lower Key stage 2 and has previously taught in year three and knows the children very well.

The children will be informed of Mrs Cookes departure and prepared for the term ahead.

Yours sincerely

Mrs Nicholls
Principal
