

December 2023

Dear year 2 parents and carers,

Class and teaching arrangements for the new academic year.

As you are aware, year two has been expanding with new children joining the academy.

From January, year two will be a 3-form entry year group with three permanent classes. This means that classes will be smaller and the teaching of core subjects will have added capacity with additional groupings in place.

I am delighted to welcome back to the academy, Miss McCrory who will be joining the year two teaching team for the new year.

Mrs Richards, Miss Krise and Miss McCrory will each have their own class.

Careful consideration has been given to the new class groupings and the year two team will support children and families during the transition period.

We have planned for a smooth handover with opportunity for children to spend time in their new classes with their new teacher.

Your child will be in Puffin class with Mrs Richards.

Yours Sincerely

Mrs Nicholls
Principal
